Government Order No. 694-7—Muz. 36-93, dated the 23rd December 1893, directing the Muzrai Superintendent to assume charge of all the Inam villages and lands belonging to the Sri Sivaganga Matt in the Nelamangala Taluk and to place them under the management of the Amildars of the Taluks in which they are situated.

(2) Government Order No. 1860-1—M. F. 36-93, dated the 27th November 1904, prescribing a scale of expenditure in the Sri Sivaganga Matt.

(3) Government Order No. 1671-83—Muz. 278-18-27, dated the 4th January 1919, recording with deep regret the demise, on the 12th October 1918, of the Swamigalu of the Sri Sivaganga Matt, and recognising the succession of the junior Swami to the *Pitha* under the titular name of Sri Sachidanadabhinava Subrahmanya Gangadhara Bharati Swami.

Order No. 2994-3004—Muz. 278 18-36, dated 29th March 1919.

The endowments of the Sri Sivaganga Matt have been under the management of Government ever since their Order of 23rd December 1893 and a scale of expenditure was fixed and altered from time to time to suit the financial condition of the Matt. The Swamigalu at whose desire the management was assumed by Government in the interests of the institution has now passed away, leaving as his successor the minor Swami, who will for some years to come, be incapable of managing the Matt affairs. Under the circumstances it has become necessary for Government to take action under Section 25 of the Mysore Muzrai Regulation, No. VI of 1913, and in pursuance thereof not only to continue the management of the endowments but also to see to the proper administration of the affairs of the Matt and to the education and training of the minor Swami so as to make him fully qualified for the high station he is called upon to fill.

2 Government are given to understand that the late Swamigalu was at one time anxious to provide for the education of the junior Swami at the Maharaja's Sanskrit College at Mysore, and that later on he thought of Bangalore as a suitable place for the purpose. Since his demise the leading disciples of the Matt have met at Bangalore and passed resolutions, which have been communicated to Government suggesting that the management of the Matt affairs during the minority of the Swami should vest in the Muzrai Department aided by a Committee of disciples to be appointed by Government, and that the minor Swami should be educated at Bangalore in the company of a few select youths of the same age, accommodation for the purpose being found in the new Sivaganga Matt Students' Home, built at the instance of the late Swamigalu.

3. Government are pleased to accept these suggestions generally, and to direct that the management of the Matt

|--|---|

and that the latter be brought to Bangalore and accommodated in the new Students' Home for his education and training. The Muzrai Superintendent is requested to submit at an early date the details of the arrangements he considers suitable for the convenience and education of the Swami.

4. The financial condition of the Matt appears, on investigation, to be far from satisfactory. A scale of expenditure to be incurred from out of the regular annual income of the Matt was fixed by Government in their Order No. 1860-1—Muz. F.

No. 2994-3004—MUZ. 278-18-36. DATED 29TH MARCH 1919.

36-93, dated the 27th November 1904; but this was not adhered to by the late Swamigalu, who had a large extraneous income from occasional donations and seems even to have exceeded his resources in the attempt to maintain a position of increased state and dignity.

5. The present situation requires that all possible economies in expenditure should be effected. The Muzrai Superintendent has submitted a carefully considered scale of income and expenditure. This scale is sanctioned and appended to this order.

6. Government are given to understand that the late Swamigalu had contracted debts to a large extent, in several cases without adequate consideration or necessity or under usurious pressure, and this in spite of the express direction of Government that he should not incur debts on any account whatsoever. (Para 15 of Government Order No. 1860-1—M. F. 36-93, dated the 27th November 1904). Though the creditors as such of the late Swami have no legal claim against his successor or against the endowments of the Matt, yet there may be cases, such as arrears of pay legitimately due to Matt servants for services *bona fide* rendered, where considerations of equity will not permit the claim being disavowed. The Muzrai Superintendent is requested to enquire into these cases and to submit his recommendations about the nature of all valid claims and the extent to which they may be accepted and the ways and means for their discharge. It will however be laid down as a general instruction that no liabilities can be accepted which it may not be possible to discharge from out of the surplus income that will be available during the minority of the present Swami, and that the advances already made by Government for expenses in connection with the induction of the present Swami into *Sanyasa Asrama* and the obsequial ceremonies of the late Swami will be a first charge upon such surplus income.

7. Some sundry repairs to the old and the new Matt Buildings, Garbhagudi of the Sri Saradamba temple, and to the two wells at Sivaganga are said to be necessary. The Muzrai Superintendent is requested to have detailed estimates, for the requisite repairs prepared at an early date and to submit the same for the sanction of Government.
